aroma of
perfection &
excellence

"Since 2008 through continuous experimentation and innovation, TOYO is now one of the most trusted brands known for 'Complete Bathroom Solutions'. We have our manufacturing unit equipped with latest technology machines to ensure micro perfection of each and every product. Our constant endeavor is to innovate and reinvent ourselves

ahead of times and be an expert companion to the consumer in their journey from inspiration to implementation in the bathroom space.

We are proud to say that we are one of the largest manufacturers of bathroom vanities across India. TOYO offers a vast variety of products ranging from minimalistic to luxury that meets the international standards and latest trends so you can have the dream bathroom you desire at affordable prices. Our motto is to take sanitarywares into a new era of affordable luxury.

The success of TOYO is also driven by the fact that the company supports its products with an excellent after sales service network.

Our quality control team ensures that each and every piece of our products goes through stringent quality checks and not only that - the quality every raw material has to meet specified international parameters. We are committed to make superior quality products with excellent finishing and aesthetic designs that will make you feel proud as an owner of TOYO products.

The company has its presence all across India and is also expanding its international network. Owing to our offered high quality product range, we have become the foremost choice of our respected patrons. With the rising opulence and changing lifestyle of Indian Elite, Toyo has brought a tremendous change in the Sanitaryware Industry.

IMPORTANT

Graphics size & physical size of the products may vary slightly, TOYO reserves the right to modify or discontinue the models without prior notice. Due to printing, Color of the actual products may be slightly different from the picture shown. Everything is subject to actual product. We apologize if any size, model no. or color of the product is printed wrongly in the catalogue by mistake.

"A satisfied customer is the best business strategy of all."

Michael LeBouf

I believe, to achieve any success, sincerity must be total and absolute. Improvement is a continuous process and present achievements must lead to greater accomplishments in the future.

We are continuously experimenting and expanding with the new changing technology which ensures that the products are of

highest quality and aesthetically pleasing. The products which were earlier imported are now moving towards our manufacturing plants in India with improved standards.

As Coco Chanel succinctly puts it, "In order to be irreplaceable one must always be different." We are proud to say that we are one of the largest manufacturers of bathroom vanities with such an extensive and exclusive variety around the globe.

We consistently strive to develop and upgrade our products with continual micro analysis of each and every function, finishing and packaging so every user feels satisfied with their purchase to the fullest.

I am entering Sanitarywares into a new era of Affordable Luxury so maximum people can relish it. Along with that we believe in providing prompt after sales service.

In my thought, best quality, prompt after sales service and affordable prices are the key points to success any business and the right track.

Finally I strongly believe 'Honesty is the best policy' in all aspects.
